## List Of Iranian Animal Hotels

.You can see the list of Iranian animal hotels in this system by region, province and city

Introduction and list of Iranian animal hotels in a specialized way with details of a semi-professional and professional animal hotel with the aim of attracting applicants and receiving entrance

## List of Iranian Animal Hotels Specialized Introduction

Introducing the services of animal hotels in this system has been considered in different details and for better display of specialized categories, we will discuss the following categories of introducing an animal hotel in Iran

## List of Iranian animal hotels Specialized introduction of categories

.The professional classification of Iranian pet hotels helps the applicants to improve their appearance

Category list of Iranian animal hotels

Mother Category Animal Hotel

Keeping domestic animals (livestock and poultry) under the mother category

Keeping pets is a subset of the mother category

Keeping wild animals in the mother category

This category also has a dedicated section that includes the following categories

Mammals Hotel

Birds Hotel

Reptiles Hotel

Amphibian Hotel

Aquatic Hotel

The registered categories, if specified professionally, can help to improve the display and also meet the needs of the applicant

.Select your mother category with the Animal Hotel option and also specify the sub category

### **Address And Location Of Registered Pet Hotels**

In this system, there is a feature called location registration by entering information in the address section, and by registering the location of the animal hotel, you can display it on the map with the desired icon of the animal hotel

Your address can be tracked using GPS

### **Post A Photo In The Ad Of Iranian Animal Hotels**

Limited number for free packages

Simply after the complete registration of the content of the ad, a section at the end of the ad is provided for uploading your photos

.It is recommended to upload your photos with a size of 1200 by 700 pixels

.High-quality low-volume images can help a lot to be displayed in search engines like Google

Use color photos related to your services. For example, this ad is about Iranian veterinary clinics, and photos of the entrance of the veterinary clinic, interior space, as well as existing equipment or medical staff activities should be considered

### **Iframe Code In The Advertisement Of Iranian Animal Record Video By Uploading The Hotels**

The impact of the video on an ad can help improve your ranking, and consider that the general public can make a final decision by watching the video better, and especially in the case of introducing an animal hotel

.You can use the video recording tutorial to upload a video in your ad

It is recommended that your video be less than 3 minutes long and be displayed as a teaser and have a volume of less than 100 MB

### **Registration Of The Purpose In The Advertisement Of Iranian Animal Hotels**

By creating a goal, you can have a better view of your services in the animal system. By selecting your target, a small image of the target topic will be displayed next to your ad in the categories

Choosing a target is very important for improving the display as well as searching the system, and you should record this feature with prior thinking

Marketing

.If your pet hotel ad is in the form of marketing and advertising, you can choose this option

Sale

.If your goal is to sell the hotel building or its equipment, you can target the ad with this option

Rent

.If you want to rent your pet hotel, you can use the rental option

Notifications

If your goal is to announce tariffs, discounts, openings, etc., you can advertise your pet hotel in this way

### **Type Of Service In Registering Ads For Iranian Animal Hotels**

.The type of service in the ads can be a way to specialize your services

It should be noted that by selecting this option, applicants can realize an important issue with the following topics

Type of service: Main job

Type of service: Second job

Type of service: Recreational

### **:Registration Of Text Address For Advertisement Of Iranian Animal Hotels**

You can take advantage of this by registering your location with friends who do not want to use the map and are not familiar with map reading

:Title registered in this section as follows

City name

City Name

### **Register The Emergency Number Of Animal Hotel Management**

It should be noted that by registering an emergency number, it is possible to immediately communicate with the management and medical staff so that in case of any problem or accident that may be related to the lives of animals, the issue will be addressed immediately

### **Registration Of Accommodation Costs In Iranian Pet Hotels**

In this section, two boxes are considered for the highest and lowest prices, which in general indicate the cost of accommodation in the Animal Hotel

### **Animal Hotel Management Registration**

Adding the name of the pet hotel manager is very important and this section provides the applicants with the manager

### **Animal Hotel Donation Account Number**

By registering this section, you can receive financial aid and people who want to donate money to Iranian animal hotels can also help your collection

### **Name Of Account Holder**

There will be no problem with registering the account holder to pay

### **Company Registration If The Collection And Agents Of The Animal Hotel Are Managed Through The Company**

By registering the company details, you can easily increase the schedule and characteristics of your ad, or if your collection is not managed as a company, you can fill in the details of the company section, except for the company name, which includes the following

Company Name: Enter the company name

px logo size in 250 px , should be considered Logo or brand: which is the best way to upload a 250 .after opening the ad, this section will open for uploading photos
